**NOTICE OF PRIVACY PRACTICE (HIPAA)**

This notice describes how your medical information may be used and disclosed, and how you can get access to this information. Please review this carefully.

Denver Indian Health and Family Services have always considered physician-patient confidentiality and integral part of patient care. As part of the Balanced Budget Act of 1997, new legislation regarding the privacy of your protected health information (PHI) will become effective April 14, 2003.

The law, known as HIPAA (Health Insurance Portability and Accountability Act), requires that all healthcare providers maintain privacy and protected health information and provide individuals with notice of its legal duties and privacy practices with respect to protected health information. This office is required to follow the terms of the notice currently in effect.

We use health information about you for treatment, to obtain payment for treatment, for administrative purposes, and to evaluate the quality of care that you receive. Continuity of care is part of treatment, and your records may be shared with other healthcare providers to whom you are referred. Information may be shared by paper mail, electronic mail, fax, or other methods.

In addition, we may disclose identifiable person health information without your authorization for several reasons. Subject to certain requirements, we may give out health information without your authorization for public purposes such as reporting of communicable diseases, birth, death, injury and child abuse or neglect; for auditing purposes; for research studies; and for emergencies. We may provide information when otherwise required by law, such as for law enforcement or by court order in specific circumstances. Contact with you may also take place in the form of appointment reminders, prescription refills, referrals, test results, etc.

I have received, read, and had the chance to ask questions about the rules and regulations related to the Health Insurance Portability and Accountability Act (HIPAA) of 1996, Public Law 104-191.

## NO SHOW, LATE & CANCELLATION POLICY

Denver Indian Health and Family Services (DIHFS) is proud to be able to provide comprehensive healthcare services to our community. There is a large demand for these services and every appointment can be meaningful to an individual's long-term health.

We at DIHFS understand that circumstances sometimes require you to cancel or reschedule your appointments. However, when patients do not notify our office in advance, it negatively impacts DIHFS's ability to provide care to our community. **In an effort to provide timely care for as many patients as possible, DIHFS requires patients to cancel their appointments with at least 24-hour notice. If you miss an appointment without canceling with 24 hours' notice, you will be marked as a "No Show". If you accumulate 2 "No Shows" in a 6-month period, you will be subject to the No Show management process (see below). If you are unable to keep your appointment, please call us at (303) 953-6600 as soon as possible to reschedule.**

We recognize that providing the highest quality care means ensuring each patient gets the proper amount of time with their provider. Therefore, it is expected that each scheduled patient attends their visit on time. 10 minutes after your scheduled appointment, you will be counted as a no show. As a courtesy reminder, DIHFS will attempt to call you one business day prior to your appointment. If your phone number changes, it is your responsibility to call DIHFS and update the phone number on file.

No Show Penalty:

- After the second Dental No Show in 6 months, you will not be able to schedule an appointment for the next 6 months and can only be seen as "emergency basis only"
- After the second Primary Care (Medical Clinic) or Behavioral Health No Show in 6 months, you will be placed on a "same-day call status" for a period of 6 months. You will not be allowed to schedule appointments in advance and must call the day you want to be seen. If there is no appointment available, you may come into the clinic and wait to be worked into the schedule but there is no guarantee of being seen.

Thank you for your cooperation and understanding.

I have read and understand Denver Indian Health and Family Services No Show/Missed Appointment Policy. I understand my responsibility to plan appointments accordingly and notify Denver Indian Health and Family Services appropriately if I have difficulty keeping my scheduled appointments.
